# Module 1: Pedagogic Challenges

*Unit 1.2. Developing intergenerational learning programmes*

# *Value yourself and share: Create a blog*

- ▣ Value one's own experience assets and negotiate what might be interesting in an intergenerational relationship.
- ▣ When creating a blog cooperatively, first there must be a plan and design of the final result that requires a negotiation process and an interview.
- ▣ The assigned roles will complement each other: technicalities and content provider/editor.
- ▣ Each blog host is basically follows the same steps:

# Steps

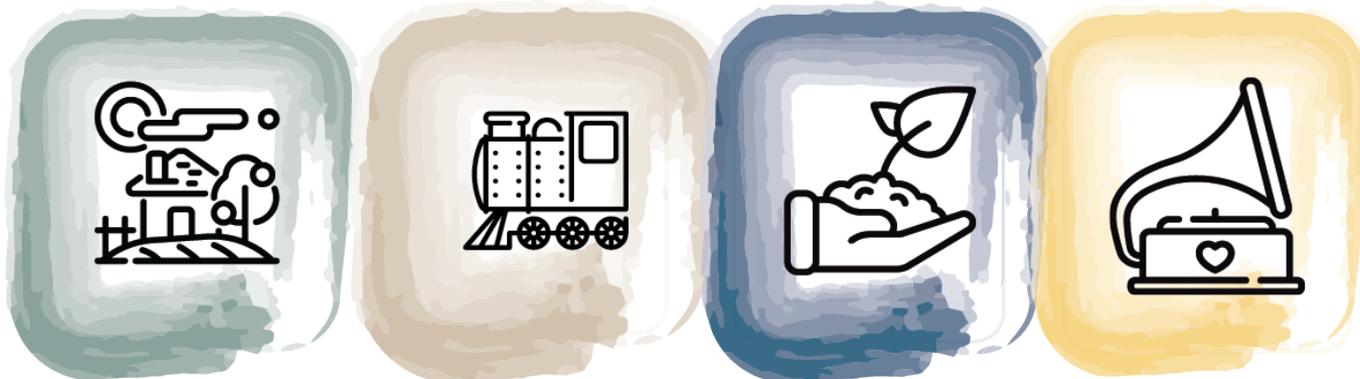

1. Find your partner (s) and distribute roles
2. Make a plan (who is who, hat is the blog about...) and choose name.
3. Open an email account, register and get your blog online in a free host: *blogger, wordpress, wix...*
4. Follow the steps.

Thank you for your  
attention
